SUMMARY

Computer Science graduate and Frontend Developer with 6 months of professional internship experience building responsive web applications using React.js, Next.js and TypeScript. Experienced in developing reusable UI components, integrating REST APIs, managing server state, and deploying production applications with Vercel. Built full-stack applications using Node.js, Express.js and MongoDB, including authentication, CRUD operations and dashboard functionality.

WORK EXPERIENCE

Techificent — Frontend Developer Intern

Mar 2024 – Sept 2024

- Developed responsive pages and reusable interface components using React.js, Next.js and Tailwind CSS.
- Collaborated on frontend implementation, debugging and cross-device UI improvements using Git and GitHub.

PROJECTS

StaffFlow — Employee Management Dashboard

Next.js, TypeScript, Node.js, Express.js, MongoDB Atlas, TanStack Query, Tailwind CSS

- Developed a full-stack employee management dashboard with employee, department and attendance CRUD operations.
- Implemented JWT authentication using HTTP-only cookies and protected API routes.
- Added search, filtering, sorting, pagination, validation and employee status management.
- Built dashboard statistics, attendance tracking and workforce reporting features.
- Integrated MongoDB Atlas with an Express/TypeScript REST API and TanStack Query for server-state management.
- Deployed the frontend and backend on Vercel with production environment configuration.

- [Live-Link](#)

DealBazaar — Community-Driven Deals Platform

Next.js, React.js, Node.js, Express.js, MongoDB, Tailwind CSS

- Developed a full-stack platform for discovering and sharing online deals in Pakistan.
- Implemented authentication, deal submission, voting, bookmarks, search, filtering, price alerts and administrative moderation.
- Integrated automated web scraping to collect and update discounted products from external sources.
- Built a responsive bilingual interface and connected the Next.js frontend with REST APIs and MongoDB.

EDUCATION

Bachelor of Science in Computer Science (BSCS), <i>University of Central Punjab</i>	2022 – 2026
DAE, <i>PCSIR-Lahore</i>	2018 – 2022
Matriculation, <i>BISE Lahore</i>	2016 – 2018

CERTIFICATIONS

AWS Academy Cloud Foundations — AWS Academy, 2025

TECHNICAL SKILLS

Frontend: JavaScript, TypeScript, React.js, Next.js, HTML5, CSS3, Tailwind CSS, Bootstrap

Backend & Database: Node.js, Express.js, MongoDB, MongoDB Atlas, REST APIs, JWT Authentication

Tools: Git, GitHub, VS Code, Vercel, AWS

Currently Learning: TanStack Query, Zustand
